NOTICE TO PATIENTS OF FAMILY CARE OF WINSTON-SALEM, PA

September 16, 2008

It is with deep regret that we inform you that due to circumstances beyond our control, we will be losing our office space at 5519 Gumtree Rd. Suite 200 effective 12/31/08. We have enjoyed serving the Wallburg community over the past 4 ½ years. We would deem it a privilege to continue providing medical care to you in our Winston-Salem office located at the above address. We realize that this will not be convenient or even feasible for some of you, and therefore will be glad to supply you with copies of your medical records to take to the doctor of your choosing.

Once again, let us thank you for allowing us to be a part of your community, providing your medical care, and allowing us to establish relationships with many of you. Feel free to contact us at the above address or at our Winston-Salem phone number, as we will be discontinuing phone service to the Wallburg number after the first of the year.

Sincerely,

Eldon S. Beard, MD and the staff of Family Care of Winston-Salem, PA
